Description

When Riviera's highly-skilled design team set out to create their newest addition to the SUV Collection their first and foremost objective was to make the best of both worlds even better.

The result is the spectacular new Riviera 505 SUV. The same pedigree of a single level alfresco entertainer with thrilling blue-water ability but with the added dimension of the mezzanine: a beautiful wining, dining and relaxing space offering privacy and protection from harsh sun and weather all year round. Escape par excellence.

The SUV concept demands a generous cockpit, low to the water to maximise the action and adventure of the full spectrum of water sports. And that's what the cockpit of the 505 delivers. Picture yourself cruising the great waterways of the world, diving in the Bahamas, or fishing on the Reef. Anything and everything is possible on board your Riviera 505 SUV.

World famous, ocean tested, Riviera build quality and strength underpin spirited, enduring performance and retained resale value.

And no motor yacht could be more luxurious or better appointed.

From bow to boarding platform, you'll relish the Riviera attention to detail, handcrafted luxury and astonishing operational technology. This is cruising on an unprecedented scale of comfort and ease.

And the 505 SUV adds a new dimension to refined living below decks with a full beam master stateroom, private ensuite and walk-in robe as well as two guest staterooms with shared bathroom. And then, of course, there is the Volvo Penta Glass Cockpit navigation system and silky smooth and economical performance of twin Volvo Penta IPS turbo diesels with fingertip easy joystick control.

Escape, explore, relax and unwind.
