Description

If you're on the hunt for a 40 Flybridge, look no further than Tenacious. As her name suggests, this is a steadfast 14m vessel - one that is highly sought after by Riviera enthusiasts.

You'll find this vessel well spec'd including a glass front windscreen on the fly bridge with window wipers, new strataglass clears, new cockpit eyebrow, new euro awning and breeze-away front screen cover, new teak carpet in the fly bridge. On the foredeck you are spoilt with an electric davit for the 3.5m Southern Pacific inflatable and Yamaha 25hp four stroke engine that is more than capable of towing the kids around on a pair of skis. Another recent addition is the 16" Garmin GPS/plotter screen, Raymarine Sat-Dome with an LCD TV along with Fusion Bluetooth stereo.

Equipped with a 9.5KW Onan genset and a pair of C450 Cummins inboard shaft drive engines, with a cruise speed of 21 knots and sprint speed of 28 knots, along with a great service history to date.

She has ample accommodation for up to six guests, featuring three singles in the guest room, a double in the spacious master and a generously sized shared Head.

The Saloon offers a forward facing Galley and two L section settees with a dinette table to starboard. The lockable rear door takes you through to the cockpit for seamless indoor/outdoor flow.

Tenacious has been meticulously maintained by the current owner, which is clear by her superior overall condition. Don't delay a viewing as she will not disappoint.
